

THE PUBOLS POST

"I will praise you as long as I live, and in your name I will lift up my hands." —Psalm 63:4, NIV

SPREADING THE WORD

Speaking in the Chicago Area. At the end of August we were invited to share about Wycliffe and our ministry in the Chicago area.

Speaking in New England.

We've been blessed to have opportunities to share about our ministry at many different churches in Massachusetts, Rhode Island and Connecticut.

Missions committee meetings, a missions convention, and several church services have kept us busy these last couple of months. These have been occasions for us to share about God's work in Bible translation. While some already know, many have never heard about the millions of people that don't have access to the Bible in a language they can understand. God has been using us to spread the word.

It's been exciting because we're seeing people connect not only with us, but also with the bigger vision of Bible translation and God's mission for the world. Some are looking for ways to pray for us and for people groups that have had no exposure to the gospel. Others are finding that even though they do not have a seminary degree or pastoral experience, as lay people they have important skills that can be used in missions.

We've been using our down time to help others. Jeff's redone several computers. One came in with about 40 viruses! He redid another computer for a missionary who works in Asia. Heather has worked on some publicity materials to help someone with a funding project. We've both spent time with Heather's parents helping them with yard work, home repairs and long-awaited home updates. We've been grateful to have time and availability to help.

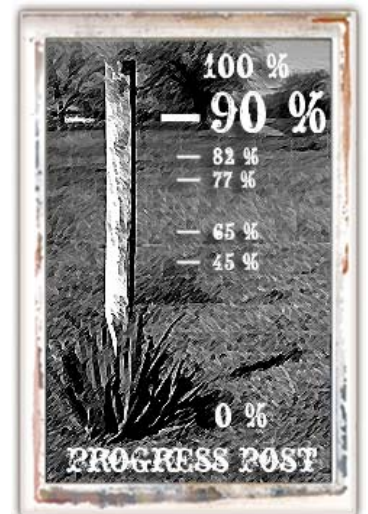

Please continue to pray for Heather's father as he continues treatments for brain cancer. We will be getting an update on his progress in November. Please pray that God will give us wisdom to know how to plan after we receive this information.

ON THE HOME STRETCH!

God has constantly amazed us on this journey. When we set out in mid-September last year to work full-time on developing our team of ministry partners, we didn't know how God would bring things together. You prayed with us for wisdom and direction and for additional financial support. We made plans for as far as we could see, and we've done our best to take advantage of opportunities as they've presented themselves.

God has used our plans, but the results often haven't come the way or in the timing we expected. This is and continues to be a journey of faith, and God has been growing us. It's been hard, no question, but we're glad for how God is using difficulties to shape us into His character.

So, here we are, at 90%—only 10% left to go before we reach our goal for monthly finances. We must finish by the end of the year. By joining our team, you can make the difference. Many have already joined our team. You and/or your church or group can take us to 100%.

MORE BANQUETS

From Oct 23 to Nov 20, we will be participating in more Wycliffe Associates banquets as featured new missionaries with Wycliffe. We'll be traveling with some great speakers. In California, the speakers are Bible translators in Africa. In New York and New Jersey, it's a couple working in Papua New Guinea. As we've done at previous WA banquets, our part will be doing short presentations about our ministry and inviting people to join our ministry team. Consider joining us at one of the banquets where we will be featured:
